The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

Supporting Evidence: It is alleged that Johnathon Barnett violated the terms of his supervised release by consuming a controlled substance, methamphetamine, on or about February 9, 2022.

On May 22, 2019, supervision commenced in this matter. On May 24, 2019, a supervision intake was completed. Mr. Barnett signed his judgment, acknowledging he understood his conditions of supervision, to include the above-noted special condition number 16.

On January 11, 2022, following the issuance of a warrant, Mr. Barnett was arrested. On January 21, 2022, Mr. Barnett appeared for a detention hearing. He was ordered released under special conditions surrounding inpatient treatment and was subsequently released on January 24, 2022, to a representative of Pioneer Center East (PCE) and was then transported to PCE for treatment services.

On February 9, 2022, the undersigned officer was notified by PCE staff that Mr. Barnett had tested positive for methamphetamine. It was also reported that on February 8, 2022, during a facility check by a staff member, Mr. Barnett could not be located for 45 minutes. The PCE staff member advised that it appeared Mr. Barnett left the facility by way of a broken door and later returned to the facility.

As a result, Mr. Barnett is being unsuccessfully terminated from inpatient treatment at PCE.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court issue a warrant.

I declare under penalty of perjury that the foregoing is true and correct.
